

ANNOUNCEMENT

of the Vice Rector for Education of the
Maritime University of Szczecin

9 February 2022

on: **the use of distance teaching methods and techniques for degree programmes and post-graduate non-diploma courses in the period of 14 February 2022 and 27 February 2022**

in relation to the ongoing state of epidemic and the increasing number of COVID-19 cases in Poland, in order to improve sanitary and epidemiological safety within the University distance teaching methods and techniques (remote teaching) will be still used for all classes on full- and part-time degree programmes, excluding part-time 10-week degree programmes, as well as on post-graduate non-diploma courses in the period between 14 February 2022 and 27 February 2022.

All education-related events within the programmes stated above shall be conducted remotely, in accordance to the calendar of the academic year 2021/2022.

Extending the period of remote teaching results from concern over health of our academic community members and aimed at preventing the spread of the COVID-19 virus.

Vice-Rector for Education
of the Maritime University of Szczecin
