

UNIFORMS

UNIFORM: The uniform is provided by the University free of charge (you only pay when you resign from studying with us or are removed from the university for lack of academic progress).

However, to complete the uniform you need to have/buy a **special white shirt suitable for uniform** like in the photo on the left. Its collar is a bit more stiff and it has epaulette slides (epaulettes and tie will also be provided by the university). The shirts may be long- or short-sleeved. We recommend having at least 2 so that you can wear and wash them in turns.

You can see how the students look in the short films [here](#)
