Note to Authors

The XXth anniversary Marine Traffic Engineering 2024 Conference that will be held in Szczecin enables participants to exchange knowledge, experiences and opinions that concern safety of navigation, marine traffic engineering and related present maritime issues.

Registration & abstract submission

Available through the Conference:

[➔ WEB PAGE](#)

Conference proceedings

All accepted papers will be reviewed and published (abstracts) as conference proceedings. Papers can be also published for an extra fee in the MUS Scientific Journals or selected journal with significant Impact Factor.

Conference fee

Conference fee which covers participation in conference sessions, lunches, dinners, gala dinner and conference proceedings is **350 Euro**.

Conference Venue

This year the MTE Conference will take place in Szczecin (Poland) situated along the Oder River. Conference sessions will be held at Maritime University of Szczecin. Except the high performed thematic sessions presenting the latest research results we will provide friendly atmosphere in the good marine company. The historical old town, the Pomeranian Dukes' Castle, the Mieczysław Karłowicz Philharmonic, the Maritime Science Center, Jasne Błonia Square and Kasprów Park are only examples of climatic places in Szczecin that are worth to see while participating MTE 2024.

Join us and celebrate XXth edition of the MTE Conference in Szczecin!

MTE 2024

XX MARINE TRAFFIC ENGINEERING CONFERENCE

06-08.11.2024
Szczecin, Poland

The conference under the auspices of the Rector of the MUS Wojciech Ślęczka, PhD Eng, Master Mariner, MUS Professor

Introduction

We would like to inform You, that upcoming XXth Marine Traffic Engineering Conference will be held this year in Szczecin (Poland) from **6th to 8th of November 2024** as a continuation of academic tradition of the Maritime University of Szczecin (MUS), Faculty of Navigation.

We cordially invite to join the **MTE 2024 Conference** every active scientists, marine practitioners and representants of marine environment willing to exchange knowledge and ideas with other open minded marine oriented colleagues.

We look forward to seeing You in Szczecin!

Conference Programme

06.11.2024 Wednesday

12:00 Registration
13:00 Lunch
14:00 – 17:30 Thematic sessions
19:30 Gala dinner

07.11.2024 Thursday

10:00 – 13:00 Parallel sessions
13:00 - 14:00 Lunch
14:00 - 16:00 Poster session
16:30 - 19:30 Visiting Maritime Science Center in Szczecin
19:30 Dinner

08.11.2024 Friday

10:00 – 13:00 Parallel sessions & closing of MTE 2024
13:00 - 14:00 Lunch

Scientific Topics

- safety and reliability of transportation systems
- safety management systems in transportation
- risk assessment in transportation systems
- safety of navigation and shipping
- marine and pilot navigation
- ice navigation
- marine traffic engineering
- marine meteorology and weather routeing
- satellite based navigation systems
- positioning systems
- unmanned transport
- oil spill modelling and combating
- marine cartography, hydrography and geodesy
- geomatics and GIS applications
- telematics in transportation
- VTS and related issues
- maritime simulation
- manoeuvrability and hydrodynamics of ships
- maritime education and training
- human factors in maritime applications
- bridge resource management
- marine sensors and components
- SAR and related issues
- e-navigation
- operational integration aboard and ashore
- maritime robotics
- maritime situation awareness systems
- visions and strategies for the future

Committee

Head of Scientific Chair:
Paweł Zalewski, PhD, DSc, AFNI
Dean of Faculty of Navigation

Key dates

Abstract submission – 30.09.2024
Fee payment – 15.10.2024

Conference Fees

Fee	PLN	€
Standard fee	1500	350
Student fee	1100	257

Conference Office

Maritime University of Szczecin
Faculty of Navigation
Wały Chrobrego Str. 1-2
70-500 Szczecin, POLAND
phone: (+48) 91 48-09-378
e-mail: mte@pm.szczecin.pl
